# Instructional Designer Vacancy

Full time role based in Harpenden, Hertfordshire

## Who are we?

Cursim is Omniplex's learning design agency. We work with some of the most exciting brands in the world, creating digital learning courses on the widest variety of subjects you can imagine. It's not only cool to work here – it's a privilege, and an education in itself that pushes, inspires and challenges us every single day.

We are seeking to recruit an Instructional Designer who will be part of our story, creating award-winning digital learning for global brands that push the boundaries of design, technology and media.

This role will be remote based until the UK Government advise that it is safe to return to work.

## What does it take to be our next Instructional Designer?

Ideas are currency here. We constantly brainstorm, think outside the box and execute wildly creative projects to a slick and professional level that surprise and delight our customers. If you're excited about creating magic and calling it work, you'll fit right in. We're looking for someone who is massively creative, tech-savvy and inspired by the world around them.

## The Role

As an Instructional Designer for Omniplex, you'll discover a role where both your strategic mind and creative flair combine to produce amazing digital content that will ignite the imagination of global audiences.

Joining a fresh-thinking team, you will be encouraged to push creative boundaries and create innovative and intuitive learning resources that are of the highest quality.

Your role will also involve:

- Generate ideas and concepts for client learning projects that challenge the boundaries of creativity, learning and design

- Create and present compelling ideas, prototypes and storyboards to help customers understand your design
- Produce product proposals that excite and gain the commitment of customers
- Define learning outcomes and devise assessments, practice opportunities and knowledge transfer interactions

## To join us as an Instructional Designer you will need:

- Instructional design expertise
- Knowledge of Articulate Storyline 360 and/or Rise 360
- Exposure to and/or an understanding of Learning Management Systems (LMS)
- Excellent organisational skills and the ability to work to (often tight) deadlines and budgets
- A commitment to delivering a world-class service to customers
- An innovative and creative approach to problem solving

## The benefits

It's an exciting time to join our flexible and rapidly expanding business. You'll have the scope to shape your role and collaborate on a variety of projects, creating outstanding digital learning solutions for customer such as Sony, Tesco, Jack Wills, GE and PepsiCo.

You will also receive:

- Salary of up to £45,000 per annum DOE
- Pension scheme
- 20 days' holiday (rising with service to 25 days) plus Bank Holidays
- Join a fresh-thinking team where your ideas are currency
- Training and development opportunities

## Ready to apply?
